

ALL FIREWORKS ARE ILLEGAL IN LOS ANGELES

They injure. They kill. They start fires.

There is no such thing as “safe” personal fireworks in the City of Los Angeles.

- ✗ Sparklers? **Illegal.**
- ✗ Firecrackers? **Illegal.**
- ✗ Bottle rockets? **Illegal.**
- ✗ Aerial fireworks? **Illegal.**
- ✗ “Safe and sane” fireworks? **Illegal.**

Using fireworks can cost you more than a fine.

It can cost a hand. A home. A life.

DON'T LIGHT FIREWORKS. DON'T BE NEXT.

Celebrate at a professional fireworks show or drone display.
